

# 3M™ Overhead Projector Model 1745

## 3M Overhead Projector Model 1745

### The Great Value Series: Added Performance, Affordable Price

Whether you are in the classroom or conference room, the 3M Overhead Projector Model 1745 can get any job done with an added value of brightness. 3M Model 1745 has 2,500 lumens with an FXL lamp so powerful you've got what it takes to make your point — even in larger meeting rooms and classrooms. Factor in value-added features such as 3M's flip-of-a-switch lamp changer and easy-focus open singlet projection head, and you've got big value without sacrificing your budget.

## KEY FEATURES

- Open singlet projection head makes cleaning a snap
- 2,500 lumens of brightness, FXL lamp for larger meeting rooms and classrooms
- 10" x 10" staging area
- Specially engineered for a double lamp life of 80 hours average
